## A MESSAGE FROM THE NJ RELAY & CAPTEL ACCOUNT MANAGER

It is hard to believe that spring has gone by and now summer is here! Where did the time go? Summer is such a great time to be outdoors in the sun and take a walk on the boardwalk along the New Jersey shore. It's also a great time to reconnect with your loved ones by calling them using our relay and CapTel services. Give them a call today and say a quick hello!

I am excited about our upcoming Taste of Technology for the DeafBlind community on Oct. 29. It's a great opportunity for the DeafBlind community to come together and learn more about the latest technology in communication access. We're very grateful to work with the DeafBlind Community Access Network of New Jersey (DBCAN-NJ) for this event. Be sure to register

online at [www.njrelay.com/tot](http://www.njrelay.com/tot) before Oct. 1.

Sprint is also pleased to announce a new feature for our Relay Conference Captioning (RCC) platform. RCC users can now read live-streamed captions during webinars (see page 3). Additionally, the NJ CapTel website will be fully translated into Spanish soon.

Enjoy your summer, stay connected with us via our Facebook pages, and contact me if you have questions, feedback or ideas. I always love hearing from NJ Relay and CapTel customers.

Best regards,  
Aparna Lele

## TASTE OF TECHNOLOGY FOR THE DEAFBLIND COMMUNITY

**Anindya "Bapin"  
Bhattacharyya**

The 2016 Fall Taste of Technology for DeafBlind People event will be held on Saturday, Oct. 29, from 10 a.m. to 3 p.m., at Montclair State University in Montclair, N.J. The event theme is *Connecting to the World: Using DeafBlind Technology to Make It Happen*. The keynote speaker will be Anindya "Bapin" Bhattacharyya, a world-renowned expert on DeafBlind technology from the Helen Keller National Center.

This event, co-sponsored by NJ Relay & CapTel and DeafBlind Community Access Network of New Jersey (DBCAN-NJ), is free, and includes a continental breakfast and lunch. Other event features include workshops, vendor displays, and hands-on demonstrations of telecommunication access technology for DeafBlind people. Free door-to-door transportation is also available for New Jersey Commission for

the Blind clients who register by Oct. 1.

Don't wait – register today! To request accommodations such as tactile sign language interpreter, close vision sign language interpreters, Braille, and/or large print, please register at [www.njrelay.com/tot](http://www.njrelay.com/tot). For additional questions, email [njrelayoutreach@sprint.com](mailto:njrelayoutreach@sprint.com).

# Webinar with Live Streaming Captions

**Relay Conference Captioning (RCC)** is a free service that provides live captions for spoken dialogue in meetings, telephone conferences calls, and webinars. Embedded RCC allows webinar viewers to watch webinars with captions on the same screen in four popular webinar apps: **WebEx, Adobe Connect, Microsoft Live Meeting** or **YouTube Live**.

For more information on how to arrange for RCC, go to [njrelaycc.com](http://njrelaycc.com), and click “Web Conferencing” in the left sidebar. To arrange a demonstration or training, contact [njrelayoutreach@sprint.com](mailto:njrelayoutreach@sprint.com).
