

Live Support is One Button Away

Need help? Talk to a live, U.S.-based customer care rep 24/7. Every New Jersey CapTel phone includes one-button access to customer care. We're here when you need us.

Live captions for your phone calls.

New Jersey displays live captions of your phone calls so you can listen and read your calls and never miss a word!

A phone for all types of users

With several phone models, we have one to fit your needs.

State-endorsed provider

New Jersey CapTel is provided by Sprint, the nation's leading captioned telephone provider.

One size does not fit all.

New Jersey CapTel offers several phone models to fit your needs.

CapTel 840 and 840i

CapTel 2400i

CapTel 880i
(Great for users with low vision!)

*Caller responsible for applicable long distance charges. New Jersey CapTel is a free service provided by Sprint and approved by the New Jersey Board of Public Utilities (the Board). Through a contract with the Board, Sprint provides full telephone accessibility to people with hearing loss. Although CapTel can be used for emergency calling, such emergency calling may not function the same as traditional 911/E911 services. Sprint reserves the right to modify, extend or cancel offers at any time with notice. Other restrictions apply to Sprint CapTel services. These restrictions do not apply to CapTel 840 services. For details, see www.sprintcaptel.com. ©2016 Sprint. Sprint and logos are trademarks of Sprint. CapTel is a registered trademark of Ultratec, Inc. Other registration marks are the property of their respective owners.
