

## **Video: CapTel 840**

### **Transcript**

CapTel ® Captioned Telephone logo and “840” are shown on the screen.

[Soft instrumental music]

Zooms into CapTel 840 phone located on a table, next to a sofa.

Narrator: “No more guessing over the phone or asking people to repeat themselves. The CapTel 840 captioned telephone shows you every word of the conversation.”

Close-up of the CapTel phone’s display screen, showing these words: “1/1 1:02 PM Do you know anyone with a hearing loss...”

Narrator: “Designed for people who do not have high-speed Internet access, the CapTel 840 looks and acts like any other phone, plus you get captions!”

CapTel phone’s display screen is flashing and showing the word “Ring!” A person’s hand picks up the CapTel phone handset and these captions appear on the CapTel phone’s display screen: “1/1 2:14 PM (WI CapTel OPR# C6156 with a call) (F) Hi mom it is me I was wondering if you wanted to meet for dinner next Thursday”

Narrator: "Its hearing aid compatible handset and adjustable tone control amplifies voices loud and clear."

On the CapTel phone, a finger is pressing a button labeled "TONE", showing that low tone, medium tone or high tone can be selected.

Narrator: "You can adjust the text size and color, quickly access your favorite numbers with a phone book and speed dial and use caller ID to know who's calling."

On the CapTel phone, a finger is pressing the "UP" and "DOWN" menu buttons, showing on its display screen, different font sizes ranging up to EXTRA LARGE.

On the CapTel phone, a finger pressing the "UP" and "DOWN" menu buttons, a preferred programmed number is easily selected.

For the caller ID feature, the CapTel phone's display screen shows, for example, "MUELLER AMY 16085775955".

Narrator: "Plus, the built-in answering machine saves and displays every message missed while you're away."

On the CapTel phone's display screen, for example, a portion of the message from the built-in answering machine shows: "this is Amy calling from the corner pharmacy..."

Narrator: "With OneTouch 24-hour customer support, we're on call to help you around the clock."

On the CapTel phone, a finger presses a blue button labeled "CUST SERV". Scene changes to show a friendly female customer support person speaking into her headset with microphone.

Narrator: "All that's needed is a standard analog telephone service and power outlet to enjoy catching every word with the CapTel 840."

Scene changes back to show the CapTel 840 on a table next to the sofa.

Zooms out.

CapTel ® Captioned Telephone logo is displayed on the screen.
